Dear Parent / Guardian

Welcome back to NIS for the 2017-2018 academic year. We wish you and all your children a very joyful and productive year.

NIS is always looking at ways to improve. And as a high quality educational establishment, it is our utmost priority to continuously provide a safe environment for our students and staff. Therefore, it has been decided to change the procedure of how students leave the school to avoid any incidents or accidents.

**The new procedure for students and parents is:**

- All private transport students will have a new exit which is located at the far side of the turf (see map)
- The main gate will only serve students who use the school transportation (buses).
- Private cars will only have one entrance and one exit at the far side of the car park.
- The car park will be closed once it is full. Other cars will park at the side of the road outside the car park.
- All parents of students who use private transportation are requested to collect their child/ren from the new gate on the turf (see map).
- Only ELC parents are allowed to enter through the turf gate to collect their children from the ELC buildings.
- This new procedure will apply only at the end of the day at 2:00pm.
- ELC parents will not be allowed to exit from the main gate after they have collected their children.
- Parents of Grade 1 students and above who use private transportation will not be allowed to enter the school through the turf gate.
- Parents are not allowed to enter any other building except the ELC building (only ELC parents)
- A map is attached at the back of this letter to explain the route of private cars and buses

We hope that this makes the exit of our students and staff safer. If you have any questions or queries, please do not hesitate to contact me.

Yours sincerely,

Mohammad H Khattab
