

Nada International School Newsletter

FEBRUARY 2026

A Message from the Executive Principal

Dear Parents,

Welcome to another exciting edition of the Nada International School Newsletter.

This month has been filled with energy, creativity, learning, and wonderful student achievements across many areas of school life. From academic competitions and public speaking events to sports activities, field trips, artistic performances, and community awareness initiatives, our students continue to impress us with their enthusiasm, confidence, and teamwork.

One of the highlights this month was seeing our students actively engaged in experiences that go far beyond traditional classroom learning. Whether through the outstanding Aladdin performance, the exciting NIS World Cup, health awareness activities, or innovative science assessments, our learners continue to grow not only academically, but also socially, emotionally, and creatively.

At Nada International School, we strongly believe that education should inspire curiosity, encourage participation, and help students develop the skills and character needed for the future. It is always a pleasure to witness our students building confidence, expressing themselves, supporting one another, and representing the values of our school community so positively.

As we prepare to welcome the blessed month of Ramadan, we also take this opportunity to reflect on the importance of kindness, gratitude, respect, and togetherness — values that remain at the heart of our school culture.

I would like to sincerely thank our dedicated teachers and staff for their continuous hard work and commitment, and extend my appreciation to our parents for their ongoing support and partnership. Together, we continue to create a learning environment where students feel encouraged, valued, and inspired to succeed.

We hope you enjoy reading this edition of our newsletter and celebrating the many wonderful moments shared throughout the month.

Warm regards,
Mohammad Wajeih
Executive Principal
Nada International School

PUBLIC SPEAKING

SPEAK CONFIDENTLY

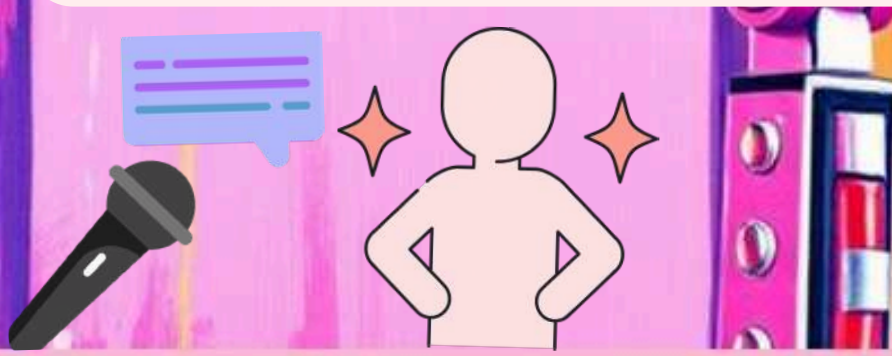

The English Department recently hosted an unforgettable Public Speaking Competition that showcased the remarkable talent of our students. From the very first speech, the audience was captivated by powerful messages, confident delivery, and polished presentations.

The standard of excellence was so high that our judges faced the incredibly difficult task of selecting winners among truly deserving participants.

Each speaker brought passion, poise, and personality to the stage, transforming the event into a celebration of voice and expression.

MAGIC IN THE ARABIAN SUN

Aladdin play

NIS students delivered a lively and engaging performance that captivated the audience from beginning to end. The show opened with a fun exchange between Aladdin and the Genie, followed by an energetic and creative dance performance that brought the story to life.

The production highlighted the students' confidence, teamwork, and talent, with every moment reflecting their dedication and enthusiasm. Well done to all our talented students, and sincere thanks to the teachers whose hard work made this memorable performance possible.

GULF WEEK FOR CANCER AWARENESS 2026

On February 2, 2026, we had the pleasure of visiting the Gulf Week for cancer Awareness 2026 Exhibition held at the Tafaol Association in Al Hasa.

Nine students from Grade 8 and Grade 10 participated in the visit. During the exhibition, the girls gained valuable knowledge about cancer, including its signs and symptoms, causes, influencing risk factors, and methods of treatment. The experience helped enhance their understanding of the importance of early diagnosis and healthy lifestyle choices.

The exhibition featured the participation of several respected organizations, including the Charity Society for Genetic Blood Tumors, the Saudi Society of Family and Community Medicine, along with other health societies.

Overall, the visit was both educational and inspiring, encouraging students to become more aware, informed, and proactive about health-related issues within their communities.

Gulf Week for Cancer Awareness

2026

As part of our ongoing commitment to student health and safety, and in collaboration with the Ministry of Health, the Ministry of Education, and the Public Health Authority (Weqaya), a health team visited the school on Wednesday, February 4, 2026, to conduct routine medical screening under the Oral and Dental Health Initiative.

THE EXAMINATION INCLUDED:

- **VISION SCREENING**
- **DENTAL CHECK-UP**
- **SPINAL ASSESSMENT**
- **TOPICAL APPLICATION OF FLUORIDE FOR G1 BOYS AND GIRLS**

The screening was conducted for students in the following grades:

- *G1 Boys*
- *G1 Girls*
- *G4 Girls*
- *G7 Girls*
- *G10 Girls*

We appreciate the continued cooperation and support in promoting the health and well-being of our students.

SPECIAL RECOGNITION GOES TO KAREEM SAMER AND ABDUL MAJID, WHO WERE NAMED BEST PLAYERS OF THE TOURNAMENT FOR THEIR CONSISTENT EXCELLENCE AND IMPACT ON THE PITCH.

Art Competition

"What Makes Nada International School Great," highlighted our students' creativity through digital drawings and collages. We are proud to announce two winners whose artworks stood out for creativity and strong connection to the theme.

"The thing that makes my school great is the (PE lesson)."
-Carmen Younis G6

Congratulations to our winners, and thank you to all students who participated!

"I love Nada School because it mixes studying with fun."
-Habib Modaher G5

RAMADAN MUBARK

TO YOU AND YOUR FAMILIES

In preparation for the holy month of Ramadan, the Arabic Department has been guiding students to understand its significance through engaging and age-appropriate activities. Students explored the values of fasting, kindness, and generosity in a meaningful and enjoyable way.

No Paper Assessment IGCSE Chemistry

Beyond the Paper: Rethinking How We Assess Learning

This term, our science department took a bold step away from traditional written assessments. Instead of answering questions on paper, students demonstrated their understanding of electrochemical cells by identifying and explaining the roles of the anode, cathode, and electrolyte on the spot – then actually building the cells themselves.

A Splash of Vision on Our School Wall

The Art Committee has begun an inspiring mural project that reflects our school's values, the spirit of Al-Ahsa, the beauty of Arabic and Islamic culture, and our hopes for the future.

A joyful creative journey brought to life with wonderful student participation.
